

Job #04

I.D. Checker: Have fun with this!

- All Brewfest attendees MUST have picture ID with birthdate – if the State Liquor Inspector comes in and someone does NOT have an ID, and they have a drinking bracelet on WE WILL BE FINED!
- All birthdates BEFORE and including 9-30-1996 September 30, 1996 are valid and eligible to sample
- ABSOLUTELY NO ONE UNDER 21 ALLOWED IN including babies and NO DOGS allowed in unless service dog – check with Brendon or Dan before letting them in. (We did have a severely handicapped person (under 21) that we let in last year. He was in a wheelchair and obviously not drinking. We gave them a non-drinking bracelet.)

Preview their ID – if they don't have one, they need to go get it. (some will say it's home or in their car) Be apologetic about making them do this and say "I'm sorry but it's the law....and we could be fined or shut down...(sad face)"

We have posted ID required on all promotional items, we have it included in all radio ads and we will have MANY signs posted on the way into Point Sebago. If there is a problem, contact Brendon Cook, Front End lead, or Dan Harden, Head of Security.
