

Job #14

50/50 Collection

You will be selling 50/50 tickets to collect a donation to the Wounded Heroes of Maine. We will see the tickets at 5 for \$5 or and 12 for \$10. We will have them torn in those increments to make it easier for you. there will be 2 of your working the table – we usually “sell out”, and when we do – that’s it!

You give them one half of the ticket and the other half goes in a bin – these will need to be torn into separate tickets before we can pull the winner. $\frac{1}{2}$ of the intake will go to the person purchasing, and half of the money will go to Wounded Heros.
